 - (v) contribution to management costs and overheads at the rate of 10% of the overall contract value;
 - (b) To avoid doubt, any refund to the Client in respect of any part of the Price paid in advance will be subject to deduction of the sums referred to in this clause 10.4 including but not limited to the 10% cancellation fee of the overall contract value.
- 10.5 Within 48 hours of issue of a Change Event Quotation by Pascon Limited the Client shall either accept or reject such Change Event Quotation. In the case of rejection of a Change Event Quotation relating to a requested

Variation, the Client shall at the same time confirm that the requested Variation is not to proceed and whether or not the Works are to continue in accordance with the original design.

- (a) If the Client accepts a Change Event Quotation then the Price, the Programme and the Planned Dates for the relevant Works will be amended in accordance with the relevant Change Event Quotation.
- (b) If within the period referred to above the Client does not:
 - (i) accept in writing a Change Event Quotation in respect of a requested Variation or confirm that the requested Variation will not proceed, and the Works are to continue in accordance with the original design; and/or
 - (ii) accept in writing a Change Event Quotation in respect of the occurrence of a Change Event;

(as the case may be) then unless the Parties agree otherwise the Client's non-acceptance of the Change Event Quotation shall constitute a Variation.

10.6 Pascon Limited shall not be obliged to proceed and may (at Pascon Limited's discretion) defer all or part of the Works:

- (a) following occurrence of any Change Event until receipt of the Client's written acceptance of a Change Event Quotation; and
- (b) following a request for a Variation, until receipt of the Client's written acceptance of a Change Event Quotation in relation to such request or written confirmation that the requested Variation is not to proceed and the Works are to continue in accordance with the original design.

11 PLANNED DATES

11.1 The Client acknowledges and agrees that Pascon Limited will prepare a programme of works although time is not the essence of the contract and any dates are provided as estimates only and should not be relied upon.

12 NETWORK OWNER DEFAULT

12.1 In the event that the Network Owner defaults under the terms of the Gas Transporter or Electricity Network Agreement or Water Network Agreement, Pascon Limited may subject to the terms of the Gas Transporter or Electricity Network Agreement or Water Network Agreement, enter into an agreement with an alternative provider.

13 PRICE REVIEW

- 13.1 In the event that the Works or any Phase(s) of the Works continue beyond twelve months from the date of the Quotation the following provisions apply.
- 13.2 A Price Review Date will occur on the date immediately following expiry of 12 months from the date of the Accepted Quotation and thereafter on each anniversary of that date.

14 PAYMENT

- 14.1 In consideration of the performance by Pascon Limited of its obligations under this Agreement the Client will pay to Pascon Limited the Price (plus VAT as applicable).
- 14.2 Where the Quotation provides for stage payments, the payments must be made in accordance with the payments set out in the quotation.
- 14.3 The Client shall bear all Value Added Tax that becomes due on the Price.
- 14.4 The Client shall, unless otherwise specified in the Quotation, make payment in pounds sterling to the bank account notified to the Client in writing by Pascon Limited.
- 14.5 If payment is late the Client shall pay interest on the amount of such late payment from the final date for payment of Pascon Limited invoice at an annual rate of four percent (4%) per annum above the Bank of England base rate in force from time to time, compounded quarterly until the date of payment. Addition of such interest shall be without prejudice to any other right or remedy Pascon Limited has in respect of such late payment, and shall not

constitute any waiver of any breach by the Client or of any right or remedy on the part of Pascon Limited.

- 14.6 If the Client disputes any invoice or any part thereof it shall notify Pascon Limited of the amount in dispute within 7 days of the invoice and such dispute shall be resolved in accordance with clause 30 prior to the relevant stage of works commencing. Without prejudice to the above provisions of this clause 14, the Client will pay the undisputed portion of any invoice notwithstanding any such dispute.

15 SUSPENSION

- 15.1 In the event that the Client is in breach of any of the payment provisions of this Agreement, Pascon Limited shall be entitled, on giving twenty-four (24) hours written notice, to suspend performance of its obligations under this Agreement in whole or in such part as Pascon Limited in its absolute discretion shall decide, until the Client has rectified such breach.

16 WARRANTY

- 16.1 Subject to the following provisions of this Clause 16, Pascon Limited warrants that it will carry out the Works with the skill and care reasonably to be expected of an RPO and as at the time of completion, the Works or (where applicable) any relevant Phase of the Works will be free from defect (except any defect due to user abuse and improper operation), provided that such warranty does not extend to any defect caused by:
- (a) incorrect or misleading information supplied by or on behalf of the Client;
 - (b) incorrect or misleading information in relation to the Site or in relation to any Plant and Materials or any Equipment, materials or services provided by the Client and relied upon by Pascon Limited in performing the Works; or
 - (c) any breach or default on the part of the Client.
- 16.2 All warranties (whether implied by statute or otherwise) on the part of Pascon Limited in relation to the Works or this Agreement other than those expressly set out in this Agreement are excluded.
- 16.4 The Client shall promptly notify Pascon Limited in writing of any breach of the warranty given in Clause 16.1 (as the case may be) and give Pascon Limited a reasonable opportunity to rectify any such defect. The sole liability of Pascon Limited for any breach of such warranty shall be to rectify any such defect at its own cost.
- 16.5 The Client acknowledges that where title in the Works has vested in the Gas Transporter under the Gas Transporter Agreement or the Electricity Network Owner under the Electricity Network Agreement or the Water Network Owner under the Water Network Agreement, all liability for such works rests with the adopting authority.

- 16.6 Pascon Limited shall not be liable to the Client for any defect in the Works, unless the Client has given Pascon Limited an opportunity to rectify in accordance with this Clause 16.
- 16.7 For the avoidance of doubt, any warranty periods will commence upon delivery to site. The adopting authority requires Pascon Limited to provide two years warranty from the date of energisation, so any delays outside of Pascon Limited's control, may result in a variation being required for revalidation of warranties.

17 INDEMNITY

- 17.1 The Client shall indemnify Pascon Limited in respect of:
- (a) any claims from owners or occupiers of the Site for losses, damages, costs and expenses which arise as a necessary and unavoidable (using reasonable skill and care) consequence of the execution of the Works;

20 FORCE MAJEURE

- 20.1 Neither Party shall be liable to the other or deemed to be in breach of this Agreement by reason of any failure or delay in performing its obligations under this Agreement if such failure or delay has been caused by Force Majeure.
- 20.2 If a party (the "Affected Party") is affected by Force Majeure in the performance of its obligations under this Agreement, then:
- (a) the Affected Party shall on becoming aware of the Force Majeure give written notice to the other party, specifying the nature and extent of the Force Majeure;
 - (b) the Affected Party will at all times use reasonable endeavors to mitigate the severity of the impact of the Force Majeure;
 - (c) Subject to the provisions of this Clause 20, the date for performance of such obligations shall be postponed by a period equal to the delay caused by the Force Majeure; and
 - (d) neither Party shall be entitled to payment from the other Party in respect of extra costs and expenses incurred by reason of the Force Majeure.
- 20.3 If the Force Majeure in question prevails for a continuous period in excess of three months after the date on which the Force Majeure begins, either Party shall be entitled to give notice in writing to the other to terminate Pascon Limited's employment in relation to any Works affected by such Force Majeure. The notice to terminate must specify the termination date, which must not be less than 15 days after the date on which the notice to terminate is given. Once a notice to terminate has been validly given, Pascon Limited's employment in relation to such Works will terminate on the termination date set out in the notice.
- 20.4 For the purposes of this Agreement, Force Majeure means any of the following events or any combination of such events:

- (i) shortage of fuel supplies due to protests, blockades or other action of individuals or organisations, whether acting collectively or otherwise;
- (j) epidemic or pandemic.

21 CANCELLATION AND TERMINATION

21.1 If the Client cancels or purports to cancel all or part of the Works the provisions of clause 10 apply in relation to any such cancellation or purported cancellation. For the avoidance of doubt, where the client has accepted a Quotation but has failed to make payment to commence the Works within a period of six months from the date of acceptance, this will be considered as a cancellation and the provisions of clause 10.4(v) will apply.

21.2 If Pascon Limited commits a material breach of its obligations under this Agreement, the Client may give Pascon Limited written notice identifying the breach and stating that notice of termination will be served if such breach is not remedied. If Pascon Limited fails to remedy such breach within six months after receipt of such notice or within such period fails to demonstrate to the Client that it has taken and is taking steps to remedy such breach and will remedy such breach within a period agreed with the Client (such agreement not to be unreasonably withheld or delayed), then the Client may forthwith by written notice terminate Pascon Limited's employment under this Agreement.

21.3 If the Client:

- (a) does not pay Pascon Limited any amount properly due (subject to any deduction or set-off the Client is entitled to make pursuant to this Agreement) by the final date for payment; or
- (b) otherwise commits a material breach of its obligations under this Agreement;

Pascon Limited may give the Client written notice identifying the non-payment or breach and stating that notice of termination will be served if such non-payment or breach is not remedied. If the Client fails to remedy such breach within 7 days after receipt of such notice or (in the case of a breach other than in relation to payment) within such period fails to demonstrate to Pascon Limited that it has taken and is taking steps to remedy such breach and will remedy such breach within a period agreed with Pascon Limited (such agreement not to be unreasonably withheld or delayed), then Pascon Limited may forthwith by written notice terminate its employment under this Agreement and the provisions of clause 10.4(v) shall apply.

21.4 Pascon Limited may terminate the Agreement forthwith by written notice to the Client in the event that the Client:

- (a) becomes or threatens to become bankrupt or insolvent or is adjudicated bankrupt or insolvent by a court of competent jurisdiction in its country of incorporation; or
- (b) has a body or person (including, but not limited to, a liquidator, administrator or other receiver or manager) appointed to manage its affairs or assets or its undertakings on behalf of its creditors, its members or a court of competent jurisdiction; or

21.5 Notwithstanding any other right or remedy of the Parties under this Agreement, termination under Clause 20 or this Clause 21 shall constitute a Variation omitting all outstanding parts of the Works other than any reinstatement works falling within a Highway and any further works necessary to leave the Works in a safe condition. The provisions of clause 10.4 will apply in relation to any such Variation.

22 INTELLECTUAL PROPERTY

22.1 All Background Intellectual Property owned by each Party prior to the date of this Agreement shall continue to be the sole property of that Party.

- (a) performance of the Works; and
- (b) the taking of ownership of the Works and the Asset by the Network Owner and operation and maintenance of the Asset by the Network Owner.

The Client warrants that it has all necessary rights and/or title to enable it to grant such license.

22.4 Pascon Limited grants to the Client an irrevocable non-exclusive royalty free license to use the IP Rights created in the design and/or performance of the Works for all purposes in connection with the performance of the Works and use of the Asset, provided always that such license shall terminate with effect from the date on which the Asset is taken into use or (where the Works consist of design services and services preparatory to provision of a design only), the date on which works to Pascon Limited design are completed and taken into use. Pascon Limited warrants that it has all necessary rights and/or title to enable it to grant such license.

22.5 The Client shall indemnify and hold harmless Pascon Limited against all actions, claims, damages, costs and expenses arising from or incurred by reason of:

- (a) use by the Client of IP Rights created in the design and/or performance of the Works other than as permitted by the license granted under this Agreement; or

 - (b) with the written agreement of the other Party or by requirement of law or of a regulatory authority or governmental body having jurisdiction over the Parties, or by any recognised stock exchange;
 - (c) to a Party's professional advisers;
 - (d) where the information is in or comes into the public domain (otherwise than by failure of a Party to comply with its obligations under this Agreement);
 - (e) where the receiving Party can show that it had the information in its possession prior to disclosure free from any obligation of confidentiality to the other Party or any third party;
 - (f) where the receiving Party can show that the information was developed independently by the receiving Party without reference to information disclosed by the disclosing Party;
 - (g) where the information is or becomes lawfully available to the receiving Party from a source having a right to disclose the same; or
 - (h) where expressly permitted under this Agreement.
- 23.2 Where a Party makes disclosure to any employee, consultant, subcontractor, potential subcontractor or agent, that disclosure shall be subject to obligations equivalent to those set out in this Agreement. Each Party shall use all reasonable endeavors to procure that any such employee, consultant, subcontractor, potential subcontractor or agent complies with such obligations, provided that each Party shall continue to be responsible to the other in respect of any disclosure or use of Confidential Information by a person to whom disclosure is made by that Party.
- 23.3 Upon Final Completion of the Works or earlier termination of Pascon Limited's employment under this Agreement, each Party shall, upon written request, return to the other all Confidential Information which has been disclosed by the other Party.

25 WAIVER

- 25.1 No term of this Agreement shall be considered waived by either Party unless such waiver is set out expressly in writing and signed by the Party waiving such term. No such waiver shall be a waiver of any default or breach of the terms of this Agreement unless expressly set forth in such waiver.
- 25.2 The non-enforcement of any terms of this Agreement by either Party shall not be construed as a waiver of or otherwise prejudicial to the rights of such Party under this Agreement or at law or in equity.
- 25.3 No failure or delay in exercising any right or remedy under this Agreement shall be construed as a waiver of that right or remedy.
- 25.4 No single or partial exercise of any right or remedy shall preclude further exercise of that right or remedy.
- 25.5 No waiver by a Party of any breach of this Agreement shall be construed as a waiver of any preceding or subsequent breach.

26 RELATIONSHIP OF PARTIES

- 26.1 The status of Pascon Limited shall be that of independent contractor and the relationship of the Parties shall not be that of principal and agent or employer and employee.

27 ASSIGNMENT AND SUB-CONTRACTING

- 27.2 Pascon Limited shall have the right to sub-contract the whole or any part of the Works. Any such sub-contracting shall not relieve Pascon Limited from any liability or obligation under this Agreement.
